The Participant shall also provide access to its facilities or those of its Authorized Users to the extent required by such Regulatory Authority.

9.9 Compliance with Investigations Concerning Incidents or Reports Involving the SHIN-NY. If the RHIO becomes aware of the occurrence of any incident or report involving the use of or access to, whether or not involving Unauthorized Use, the SHIN-NY or any SHIN-NY Services or any component thereof involving illness, injury, death, property damage or other loss, the Participant shall take such actions as may reasonably be requested by the RHIO to assist the RHIO in investigating the nature and severity of the circumstances leading to such incident or report and to report the incident as appropriate.

9.10 No Reverse Engineering. The Participant shall not (nor shall the Participant authorize or permit any third party to) (i) create or attempt to create by reverse engineering or otherwise any Software or Tools of either the RHIO or the State Designated Entity or (ii) ascertain or attempt to ascertain the design or operation of any Software or Tools of either the RHIO or the State Designated Entity; or (iii) derive or attempt to derive the source code for any Software or Tools of the RHIO or the State Designated Entity.

ARTICLE X THE RHIO'S OPERATIONS AND RESPONSIBILITIES.

10.1 Execution of Participation Agreement. The RHIO shall require that all Participants enter into a Participation Agreement prior to being granted access to and use of the RHIO System or the RHIO Services.

10.2 Participant Training. The RHIO shall provide training to each Participant regarding access to and use of the RHIO System and the RHIO Services, including such user manuals and other resources as the RHIO determines appropriate to support the RHIO System and the RHIO Services, so that the Participant or the RHIO may train all of the Participant's Authorized Users regarding the access and use of the RHIO System and the RHIO Services as required under Section 9.7 hereof.

10.3 Telephone and/or E-Mail Support. The RHIO shall provide, by telephone and/or e-mail, support and assistance in resolving difficulties in accessing or using the RHIO System and the RHIO Services, in accordance with the requirements, if any, set forth in the RHIO Policies and Procedures.

10.4 Audits and Reports.

10.4.1 Participant Audits. The Participant shall be responsible for performing periodic audits, in accordance with the SHIN-NY Policy Standards and the RHIO Policies and Procedures, to confirm compliance with this Participation Agreement and proper use of the RHIO System and the RHIO Services in accordance with this Participation Agreement, the SHIN-NY Policy Standards, and the RHIO Policies and Procedures, and for reporting the findings of such audits to the Audit Subcommittee of the RHIO or such other committee or subcommittee of the Board of Directors as may be established by the RHIO Policies and Procedures, with any findings of noncompliance to be reported to the full Board of Directors of the RHIO.

10.4.2 RHIO Audits. Each Participant shall be subject to audit by the RHIO (or a third party engaged by the RHIO for such purposes) to confirm compliance with this Participation Agreement and proper use of the RHIO System and the RHIO Services in accordance with this Participation Agreement, the SHIN-NY Policy Standards and the RHIO Policies and Procedures. Such audits shall take place during business hours and upon reasonable notice to Participant. Such audits shall be performed at the expense of the RHIO, and in a manner reasonably designed to minimize interference with Participant's day-to-day operations. The results of such audits shall be reported to the Audit Subcommittee of the RHIO or such other committee or subcommittee of the Board of Directors as may be established by the RHIO Policies and Procedures, with any findings of non-compliance to be reported to the full Board of Directors of the RHIO.

10.4.3 Provision of Additional Information and Reports by Participant to Support Oversight and Enforcement by the RHIO. The Participant shall provide information to the extent necessary for the RHIO to fulfill its reporting, audit and investigation obligations under the SHIN-NY Policy Standards and to continue its participation in the SHIN-NY. Such additional information and reports shall include but not be limited to:

(a) Provision of up to date name, contact and corporate information of the Participant;

(b) Provision of information to enable the RHIO or the Oversight Entity to conduct an investigation or audit of and to report on potential Participant non-compliance with this Agreement, the SHIN-NY Policy Standards, and the RHIO Policies and Procedures, including but not limited to provision of access to books, records, accounts and other sources of information related to the scope of the investigation; and

(c) Participation in the RHIO's process for soliciting and accepting complaints from stakeholders, including Participants.

10.5 Compliance with Laws and Regulations. Without limiting any other provision of this Participation Agreement, the SHIN-NY Policy Standards, and the RHIO Policies and Procedures relating to the parties' compliance with applicable laws and regulations, the RHIO agrees to comply with applicable federal, state and local laws, ordinances and regulations relating to its operation of the RHIO System and provision of the RHIO Services.

10.6 Viruses and Other Threats. The RHIO shall use reasonable efforts to ensure that the RHIO System does not include, and will not introduce, any program, routine, subroutine, or data which will disrupt the proper operation of any hardware or software used by the Participant in connection therewith, or which, upon the occurrence of a certain event, the passage of time, or the taking of or failure to take any action will cause any hardware, software or data used by the Participant in connection with the RHIO System to be destroyed, damaged or rendered inoperable.

10.7 Responsibility for Conduct. As between the Participant and the RHIO, the RHIO shall be solely responsible for all acts and omissions of the RHIO with respect to the RHIO System, the RHIO Services and/or any confidential and/or other information accessed in connection therewith, and all such acts and omissions shall be deemed to be the acts and omissions of the RHIO. In addition, as between the Participant and the RHIO, the RHIO shall be solely responsible for all acts or omissions of any other individual who accesses the RHIO System and/or uses the RHIO Services either through the RHIO or by use of any password, identifier or log-on received or obtained from the RHIO if access and/or use was due to the negligent or intentional failure of the RHIO to comply with its obligations under this Agreement.

10.8 Responsibility for Other Qualified Entities and their participants. Each Participant acknowledges and agrees that the RHIO shall have no responsibility for the acts or omissions of any other Qualified Entity or the participants of any other Qualified Entity.

10.9 Intellectual Property Rights. Subject to compliance by the Participant with the provisions of this Agreement, the RHIO warrants that it has all rights and licenses necessary to provide the RHIO System and the RHIO Services to the Participant without violating any intellectual property rights of any third party.

10.10 Cooperation in the Event of Suspension or Termination of RHIO Participation in the SHIN-NY.

10.10.1 In the event that the RHIO is suspended or terminated from participation in the SHIN-NY, the Participant shall take such actions as may be reasonably requested by the RHIO to help the RHIO cure the reason for the suspension or comply with the terms of the termination.

10.10.2 The RHIO and the Participant agree to comply with any commercially reasonable measures taken by the State Designated Entity to stop unauthorized access or use of the SHIN-NY, including but not limited to enforcing sanctions to the extent and in the manner required by the SHIN-NY Policy Standards.

**ARTICLE XI
FEES AND CHARGES.**

11.1 Service Fees. The RHIO shall charge Participants fees to access the RHIO System and use the RHIO Services in accordance with a Fee Schedule adopted by the Board of Directors of the RHIO. The RHIO shall notify all Participants of any changes to such fees at least (90) days prior to the implementation of such change. In the event that a Participant objects to such change, that Participant may terminate this Participation Agreement by giving the RHIO written notice thereof not more than thirty (30) days following the RHIO's notice of such decision. Such termination shall be effective as of the effective date of the change in fees.

**ARTICLE XII
PROPRIETARY INFORMATION.**

12.1 Scope of Proprietary Information. In the performance of their respective responsibilities pursuant to this Participation Agreement, the RHIO and Participants may come into possession of certain Proprietary Information of the other. For the purposes hereof, "Proprietary Information" of a party means all trade secrets, business plans, marketing plans, know-how, data, contracts, documents, scientific and medical concepts, member and customer lists, costs, financial information, profits and billings, and referral sources, existing or future services, products, operations, management, pricing, financial status, goals, strategies, objectives, and agreements of the party, whether written or verbal, that are confidential in nature; provided, however, that Proprietary Information shall not include any information that (a) is in the public domain; (b) is already known or obtained by any other party other than in the course of the other party's performance pursuant to this Participation Agreement; (c) is independently developed by any other party; and/or (d) becomes known from an independent source having the right to disclose such information and without similar restrictions as to disclosure and use and without breach of this Participation Agreement, or any other confidentiality or nondisclosure agreement by such other party.

12.2 Nondisclosure of Proprietary Information. The RHIO and the Participant each (i) shall keep and maintain in strict confidence all Proprietary Information received from the other, or from any of the other's employees, accountants, attorneys, consultants, or other agents and representatives, in connection with the performance of their respective obligations under this Participation Agreement; (ii) shall not use, reproduce, distribute or disclose any such Proprietary Information except as necessary to carry out its duties under this Participation Agreement or as required by law; and (iii) shall prevent its employees, accountants, attorneys, consultants, and other agents and representatives from making any such use, reproduction, distribution, or disclosure, except in connection with the performance of their respective obligations under this Agreement.

**ARTICLE XIII
DISCLAIMERS, EXCLUSIONS OF WARRANTIES, LIMITATIONS OF LIABILITY**

13.1 Carrier lines. By using the RHIO System and the RHIO Services, each Participant shall acknowledge that access to the RHIO System is to be provided over various facilities and communications lines, and information will be transmitted over local exchange and

internet backbone carrier lines and through routers, switches, and other devices (collectively, “carrier lines”) owned, maintained, and serviced by third-party carriers, utilities, and internet service providers, all of which are beyond the RHIO’s control. The RHIO assumes no liability for or relating to the integrity, privacy, security, confidentiality, or use of any information while it is transmitted on the carrier lines, or any delay, failure, interruption, interception, loss, transmission, or corruption of any data or other information attributable to transmission on the carrier lines. Use of the carrier lines is solely at user’s risk and is subject to all applicable local, state, national, and international laws.

13.2 NO WARRANTIES. ACCESS TO THE RHIO SYSTEM, USE OF THE RHIO SERVICES AND THE INFORMATION OBTAINED BY A PARTICIPANT PURSUANT TO THE USE OF THOSE SERVICES ARE PROVIDED “AS IS” AND “AS AVAILABLE” WITHOUT ANY WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE PARTICIPANT IS SOLELY RESPONSIBLE FOR ANY AND ALL ACTS OR OMISSIONS TAKEN OR MADE IN RELIANCE ON THE SYSTEM OR THE INFORMATION IN THE SYSTEM, INCLUDING INACCURATE OR INCOMPLETE INFORMATION. IT IS EXPRESSLY AGREED THAT IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF PROFITS OR REVENUES, LOSS OF USE, OR LOSS OF INFORMATION OR DATA, WHETHER A CLAIM FOR ANY SUCH LIABILITY OR DAMAGES IS PREMISED UPON BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER THEORIES OF LIABILITY, EVEN IF SUCH PARTY HAS BEEN APPRISED OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES OCCURRING. EACH PARTY DISCLAIMS ANY AND ALL LIABILITY FOR ERRONEOUS TRANSMISSIONS AND LOSS OF SERVICE RESULTING FROM COMMUNICATION FAILURES BY TELECOMMUNICATION SERVICE PROVIDERS OR THE RHIO SYSTEM.

13.3 Other Participants, Other Qualified Entities and Participants of Other Qualified Entities. By using the RHIO System and the RHIO Services, each Participant shall acknowledge that other Participants, other Qualified Entities, and the participants of other Qualified Entities have access to the RHIO System and the RHIO Services. Such other Participants, other Qualified Entities, and the participants of other Qualified Entities have agreed to comply with the SHIN-NY Policy Standards concerning use of the information made available through the SHIN-NY; however, the actions of such other parties are beyond the control of the RHIO. Accordingly, the RHIO does not assume any liability for or relating to any impairment of the privacy, security, confidentiality, integrity, availability, or restricted use of any information on the system resulting from any Participant’s, other Qualified Entity’s or other participant of another Qualified Entity’s actions or failures to act, except where the RHIO has been notified in writing of such Participant’s, other Qualified Entity’s or other participant of another Qualified Entity’s actions or failures to act and has failed to take action to prevent further improprieties by such Participant, other Qualified Entity or other participant of another Qualified Entity.

13.4 Unauthorized Access; Lost or Corrupt Data. The RHIO is not responsible for unauthorized access to the Participant’s transmission facilities or equipment by individuals or

entities using the RHIO System or for unauthorized access to, or alteration, theft, or destruction of the Participant's data files, programs, procedures, or information through the RHIO System, whether by accident, fraudulent means or devices, or any other method, except to the extent that such access, alteration, theft or destruction was due to the negligent acts or omissions or willful misconduct of the RHIO. As between the Participant and the RHIO, the Participant is solely responsible for validating the accuracy of all output and reports and protecting the Participant's data and programs from loss by implementing appropriate security measures, including routine backup procedures. The Participant waives any claims against the RHIO for damages occasioned by lost or corrupt data, incorrect reports, or incorrect data files resulting from programming error, operator error, equipment or software malfunction, security violations, or the use of third-party software, except to the extent that such damages arise as a result of the negligent acts or omissions or willful misconduct of the RHIO. The RHIO is not responsible for the content of any information transmitted or received through the RHIO's provision of the RHIO Services, except to the extent that the content of such information is distorted or corrupted as a result of the negligent acts or omissions or willful misconduct of the RHIO.

13.5 Inaccurate Data. All data which is accessed through the RHIO System and/or the RHIO Services originates from Participants in the RHIO and participants of other Qualified Entities, and not from the RHIO. All such data is subject to change arising from numerous factors, including without limitation, changes to patient health information made at the request of the patient, changes in the patient's health condition, the passage of time and other factors. The RHIO neither initiates the transmission of any data nor monitors the specific content of data being transmitted. Without limiting any other provision of the SHIN-NY Policy Standards and the RHIO Policies and Procedures, the RHIO shall have no responsibility for or liability related to the accuracy, content, currency, completeness, content or delivery of any data either provided or used by Participant, pursuant to the SHIN-NY Policy Standards and the RHIO Policies and Procedures, except to the extent that the content of such information is distorted or corrupted as a result of the negligent actions or omissions or willful misconduct of the RHIO.

13.6 Patient Care. Without limiting any other provision of this Participation Agreement, as between the RHIO, on the one hand, and the Participant, on the other hand, the Participant shall be solely responsible for all decisions and actions taken or not taken by the Participant or the Participant's Authorized Users (if the decisions and actions taken or not taken by such Authorized Users were due to the negligent or intentional failure of the Participant to comply with its obligations under this Agreement) involving patient care, utilization management, and quality management for its patients resulting from or in any way related to the use of the RHIO System or the RHIO Services or the data made available thereby. Participant shall not have any recourse against the RHIO, and Participant hereby waives any claims against the RHIO, for any loss, damage, claim or cost relating to or resulting from its own use or misuse of the RHIO System and/or the RHIO Services or the data made available thereby, except to the extent that such loss, damage, claim or cost arises as a result of the negligent acts or omissions or willful misconduct of the RHIO.

13.7 Limitation of Liability. Notwithstanding anything in this Participation Agreement to the contrary, to the maximum extent permitted by applicable laws, the aggregate liability of the RHIO and the RHIO's officers, directors, employees and other agents to the Participant under this Participation Agreement, regardless of theory of liability, shall be limited to the amount of

insurance coverage available to the RHIO with respect to such liability (the amount of such insurance coverage to be determined by the Board of Directors of the RHIO pursuant to Section 14.1 hereof) plus any amounts for which the RHIO is entitled to indemnification by third parties, such as technology vendors.

13.8 Direct Service. The Participant acknowledges and agrees that the RHIO facilitates access to the Direct Service, but that the Direct Service is provided by a third party and not by the RHIO. The RHIO shall have no liability with respect to the Direct Service, including but not limited to any failure of such third party to provide the Direct Service.

ARTICLE XIV INSURANCE; INDEMNIFICATION FIX

14.1 Insurance. Each Participant and the RHIO shall obtain and maintain, throughout the term of this Participation Agreement, insurance coverage as determined by the Board of Directors of the RHIO and specified in the RHIO Policies and Procedures; provided that, for Participants with professional liability coverage under the Federal Tort Claims Act, such coverage shall be deemed to meet all requirements in this Participation Agreement related to professional liability insurance coverage.

14.2 RHIO Indemnification and Liability. Each Participant shall (x) indemnify and hold harmless the RHIO and its directors, officers and employees (the “RHIO Indemnified Parties”) from and against any losses, damages or liabilities (including reasonable costs and expenses, and excluding attorneys’ fees, in each case, incurred by the RHIO Indemnified Parties in connection with any third party claim, action, lawsuit, proceeding or investigations) (“Losses”) awarded or otherwise paid by the RHIO Indemnified Parties to any third party (whether pursuant to a court order, or as part of a settlement approved by the Participant) arising out of any action, suit, proceeding or other claim, or any threat thereof (whether civil, criminal, administrative, arbitral, investigative or otherwise) against any RHIO Indemnified Party, and (y) shall be liable to RHIO Indemnified Parties for any direct damages (including reasonable costs and expenses, and excluding attorneys’ fees, in each case, incurred by the RHIO Indemnified Parties in connection with any third party claim, action, lawsuit, proceeding or investigations), not to include any indirect, consequential, special, incidental, punitive, or other exemplary losses or damages, including without limitation lost or prospective profits, whether based in contract, warranty, negligence, strict liability or other tort or otherwise, regardless of the foreseeability or the cause thereof (“Damages”) suffered by RHIO Indemnified Parties, in each case to the extent:

14.2.1 arising out of any breach by the Participant of its Business Associate Agreement with the RHIO or failure of the Participant to comply with law, the SHIN-NY Policy Standards, or the RHIO Policies and Procedures in connection with its performance under this Agreement;

14.2.2 relating to a violation of HIPAA or HITECH by the Participant;

14.2.3 relating to the gross negligence of any Participant Indemnified Party in connection with this Agreement or the RHIO Services;

14.2.4 relating to any taxes, interest, penalties, fines or other amounts, civil or criminal, in connection with this Agreement or the RHIO Services that are assessed against the RHIO and that are not the obligation of the RHIO; or

14.2.5 relating to any theft or misappropriation of Patient Data by any Participant Indemnified Party.

14.3 Indemnification Procedure. If any claim is commenced against the RHIO (the “Indemnified Party”), prompt notice thereof shall be given by the Indemnified Party to the Participant (the “Indemnifying Party”). The parties shall agree upon the party who will be responsible for the defense of such claim; provided, however, that if the parties cannot agree upon the party who will be responsible for the defense of such claim within 15 days after receipt by the Indemnifying Party of such notice, (1) the Indemnifying Party shall immediately take control of the defense of such claim and shall engage attorneys acceptable to the Indemnified Party (which acceptance shall not be unreasonably withheld) to defend such claim; and (2) the Indemnified Party shall cooperate with the Indemnifying Party (and its attorneys) in the defense of such claim. The Indemnified Party may, at its own cost and expense, participate (through its attorneys or otherwise) in such defense. If the Indemnifying Party does not assume control over the defense of a claim as provided in this Section 14.3, the Indemnified Party may defend the claim in such manner as it may deem appropriate, at the cost and expense of the Indemnifying Party. If the Indemnifying Party assumes control over the defense of a claim as provided in this Section 14.3, the Indemnifying Party may not settle such claim without the consent of the Indemnified Party if the settlement provides for relief other than the payment of monetary damages or for the payment of monetary damages for which the Indemnified Party will not be indemnified in full pursuant to this Article XIV.

14.4 Sole Recourse; Assignment of Insurance Rights.

14.4.1 Except as otherwise set forth in this Section 14.4, in each case, the aggregate liability of the Participant to the RHIO Indemnified Parties for any Losses or Damages incurred by the RHIO Indemnified Parties arising under or in connection with this Agreement or the RHIO Services will be limited to (1) in the event that the Losses or Damages are subject to insurance coverage, (i) the insurance proceeds actually recovered by the Participant, its officers, directors and employees (the “Participant Indemnified Parties”), plus (ii) any amounts actually received by the Participant Indemnified Parties from third-party service providers, vendors and suppliers, in each case in respect of the claim giving rise to such Losses or Damages; or (2) in the event that the Losses or Damages are not subject to insurance coverage, (i) One Million Dollars (\$1,000,000), plus (ii) any amounts actually received by the Participant Indemnified Parties from third-party service providers, vendors and suppliers in respect of the claim giving rise to such Losses or Damages; provided, however, that in either event any Losses or Damages caused by the intentional acts or omissions of a Participant Indemnified Party shall not be subject to such limitation. Except as otherwise provided, this Section 14.4 shall constitute the sole and exclusive recourse of the RHIO Indemnified Parties with respect to any Losses or Damages incurred by the RHIO Indemnified Parties or any other liability of the Participant to the RHIO Indemnified Parties, in connection with this Agreement, regardless of the theory under which any claim for Losses, Damages or such other liability is made.

14.4.2 To the extent that the Participant is liable to the RHIO Indemnified Parties under Section 14.2 for any Losses or Damages, the Participant will use commercially reasonable efforts, at its sole expense, to secure all available insurance proceeds for the benefit of the RHIO Indemnified Party from the Participant's insurers. This obligation includes, where warranted, retention of specialized insurance counsel to assist in securing such proceeds.

14.4.3 With respect to any Losses or Damages to which Section 14.2 applies, the Indemnifying Party hereby assigns to the Indemnified Party the rights to proceeds of any insurance maintained by the Indemnifying Party covering such Losses or Damages. Notwithstanding the obligations of the Indemnifying Party set forth in Section 14.4.2, the Indemnified Party at any time may elect, at its sole discretion and expense, to assume from the Indemnifying Party responsibility for pursuing insurance recovery, in its own name or as assignee of rights held by the Indemnifying Party, with respect to any rights to insurance proceeds assigned to the Indemnified Party pursuant to this Section 14.4.3; provided, however, that if the Indemnifying Party, prior to such election, has failed to comply with its obligations pursuant to Section 14.4.2, the Indemnifying Party shall, notwithstanding the limitations set forth in Section 14.4.1, be liable to the Indemnified Party for all reasonable costs incurred by the Indemnified Party in pursuing insurance recovery on its own behalf, including any attorneys' fees. If the Indemnified Party elects to assume responsibility for pursuing insurance proceeds from one or more of the Indemnifying Party's insurers pursuant to this Section 14.4.3, the Indemnifying Party shall assist and cooperate with the Indemnified Party in the pursuit of such proceeds to the fullest extent that is commercially reasonable.

14.4.4 To the extent that the assignment of rights to insurance proceeds contemplated by Section 14.4.3 is deemed to invalidate or diminish the availability of insurance proceeds under any of the Indemnifying Party's insurance policies to cover Losses or Damages to which Section 14.4.1 applies, the Parties mutually intend that Section 14.4.3 not be enforced or enforceable.

ARTICLE XV TERMINATION

15.1 Termination by a Participant.

15.1.1 A Participant may terminate this Participation Agreement at any time without cause by giving not less than sixty (60) days prior notice to the RHIO.

15.1.2 A Participant may terminate this Participation Agreement upon the RHIO's material breach of its obligations hereunder, which breach is uncured for a period of thirty (30) days after the Participant has given the RHIO notice of that breach and requested that the RHIO cure that breach; provided that no opportunity to cure shall be provided and termination shall be immediate in the event of (a) a breach that cannot reasonably be cured within thirty (30) days, (b) repeated breaches of the same obligation, (c) a breach that would expose the Participant to civil or criminal liability or would otherwise cause a violation of applicable laws, rules, regulations or accreditation standards applicable to Participant or (d) a breach of the RHIO's obligations under Exhibit B hereto.

15.1.3 Participant may terminate this Participation Agreement in accordance with the provisions of Sections 2.2.2, 3.2.2 or 11.1 hereof.

15.2 Termination by the RHIO.

15.2.2 The RHIO may terminate this Participation Agreement with respect to any Participant upon the Participant's material breach of its obligations hereunder, which breach continues uncured for a period of thirty (30) days after the RHIO has given the Participant notice of that breach and requested that the Participant cure that breach; provided that no opportunity to cure shall be provided and termination shall be immediate in the event of (a) a breach that cannot reasonably be cured within thirty (30) days, (b) repeated breaches of the same obligation or (c) a breach that would expose the RHIO to civil or criminal liability or would otherwise cause a violation of applicable laws, rules, regulations or accreditation standards applicable to the RHIO.

15.2.3 The RHIO may terminate this Participation Agreement with respect to all Participants at any time upon termination of the RHIO's participation in the SHIN-NY.

15.2.4 The RHIO may terminate this Participation Agreement at any time without cause with respect to any Participant by giving not less than one hundred twenty (120) days prior notice to such Participant.

15.3 Effect of Termination. Upon any termination of this Participation Agreement with respect to a Participant, neither that party nor its Authorized Users shall have any rights to use the RHIO System or the RHIO Services and neither the RHIO nor any of the other Participants shall have any further access to Patient Data of such Participant through the RHIO System; provided that nothing in this Section 15.3 shall require the return by any other Participant of any Patient Data of a terminating Participant that was accessed prior to such termination.

15.4 Survival of Provisions. Any provision of this Participation Agreement that contemplates performance or observance subsequent to any termination of this Participation Agreement shall survive any termination of this Participation Agreement, including but not limited to the following: Section 5.4, Article VIII, Article XII, Section 13.7, Section 15.3 and this Section 15.4.

**ARTICLE XVI
GENERAL PROVISIONS.**

16.1 Applicable Law. This Participation Agreement shall be governed by the laws of the State of New York, without reference to the principles thereof respecting conflicts of laws. 16.2 Non-Assignability. No rights of either party under this Participation Agreement may be assigned or transferred by such party, either voluntarily or by operation of law, without the prior written consent of the other party, which it may withhold in its sole discretion.

Neither the Participant nor the RHIO shall be deemed in violation of any provision of this Participation Agreement if it is prevented from performing any of its obligations by reason of: (a) severe weather and storms; (b) earthquakes or other natural occurrences; (c) strikes or other labor unrest; (d) power failures; (e) nuclear or other civil or military emergencies; (f) acts of legislative, judicial, executive, or administrative authorities; or (g) any other circumstances that are not within its reasonable control other than a lack of financial resources. Any consent by any party to, or waiver of a breach by the other, whether expressed or implied, shall not constitute a consent to, waiver of, or excuse for any other different or subsequent breach.

Notwithstanding the foregoing provision of this Section 16.10, (i) the RHIO may issue to the general press, trade press and industry participants announcements concerning this Participation Agreement including Participant's name and, at the RHIO's discretion, a general description of its operations, such description to be subject to the reasonable prior approval of Participant; (ii) Participant may issue to the general press, trade press and industry participants announcements concerning this Participation Agreement including the RHIO's name and, at Participant's discretion, a general description of its operations, such description to be subject to the reasonable prior approval of the RHIO; and (iii) the RHIO may identify Participant as a participant in the RHIO System. 1. Use and Disclosure. The RHIO shall use and disclose Protected Health Information only for the purposes of the RHIO's performance of its responsibilities described in the Participation Agreement between the parties (the "Participation Agreement") and the RHIO Policies and Procedures (as such term is defined in the Participation Agreement). The RHIO may also use and disclose Protected Health Information for the proper management and administration of the RHIO's business and to carry out its own legal responsibilities; provided, that any disclosure pursuant to this Section 1 shall either be required by law or be made with reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purposes for which it was disclosed to such person, and that the person will notify the RHIO of any instances of which it is aware in which the confidentiality of the information has been breached.

2. Appropriate Safeguards. The RHIO shall use appropriate safeguards to prevent use or disclosure of Protected Health Information otherwise than as permitted by the RHIO Policies and Procedures, including administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of that Protected Health Information, including, but not limited to, those set forth in the HIPAA Security Rule (45 C.F.R. §§ 164.308, 164.310, 164.312 and 164.316) .

3. Agents, Subcontractors. The RHIO shall ensure that its agents, including any subcontractor, to whom the RHIO provides Protected Health Information agree to the restrictions and conditions that apply to the RHIO with respect to such information and implement the safeguards required by Section 2 with respect to electronic Protected Health Information. If the RHIO knows or should know of a material breach or violation by a subcontractor or agent that has created, received, maintained or transmitted such Protected Health Information, the RHIO shall take reasonable steps to cure the breach or end the violation, and if such steps are unsuccessful, it shall terminate the subcontract or relevant agreement, if feasible.

4. Inspection and Copying. To the extent that the RHIO maintains any Protected Health Information of the Participant that is not also maintained by the Participant itself, the RHIO shall make such Protected Health Information available to the Participant or any person authorized by the Participant for inspection and copying within twenty (20) days of a request by the Participant therefor.

5. Amendments. To the extent that the RHIO maintains any Protected Health Information of the Participant that is not also maintained by the Participant itself, the RHIO shall make such Protected Health Information available for amendment and incorporate any amendments to Protected Health Information requested by the Participant within twenty (20) days of a request by the Participant therefor.

6. Reports. The RHIO shall promptly report to the Participant any unauthorized or improper use or disclosure of, or security incident pertaining to, Protected Health Information of which it becomes aware. Such notifications shall include all the information required by 45 C.F.R. §§ 164.404. Further, the RHIO shall notify the United States Department of Health and Human Services and relevant media outlets as required by, and subject to the exceptions set forth in, HIPAA. The RHIO shall, to the extent practicable, mitigate any harmful effects of any improper use or disclosure of Protected Health Information or security incident of which it becomes aware.

7. Accounting. The RHIO agrees to document such disclosures of Protected Health Information and information related to such disclosures as would be required for the Participant to respond to a request for an accounting of disclosures of Protected Health Information in accordance with 45 CFR § 164.528. The RHIO shall provide such information to Participant within twenty (20) days of Participant's request therefor.

8. Availability of Records. The RHIO shall make its internal practices, books, and records relating to the use and disclosure of Protected Health Information available to the Secretary of the United States Department of Health and Human Services, for purposes of determining the Participant's compliance with its legal obligations.

9. Action Upon Termination. Upon termination of the Participation Agreement, the RHIO shall, if feasible, return or destroy all Protected Health Information received from, or created or received by the RHIO or any of its subcontractors on behalf of, the Participant that the RHIO or any of its subcontractors still maintains in any form, and the RHIO shall retain no copies of such information. If the RHIO reasonably determines that such return or destruction is not feasible, it shall extend the protections of the Participation Agreement to such information and limit further uses and disclosures to those purposes that make the return or destruction of the Protected Health Information infeasible.

10. Special Termination. Notwithstanding any other provision of the RHIO Policies and Procedures to the contrary, the Participant may immediately terminate the Participation Agreement if it determines that the RHIO has violated a material term of this Business Associate Agreement, and the RHIO fails to remedy the violation within thirty (30) days following receipt of written notice thereof.
